41) MARCH 19, 2020 (Rose Bowl Parking Lot I)

2019

Times are strange, but even amidst the chaos, we somehow managed to have a Musiclüb "gathering" on March 19th - the last night before the official "stay-at-home" law.

The biggest props go to Tad for really taking it upon himself to figure out a fun (& safe) way to make it happen. In case you couldn't make it, it took place at Rose Bowl Parking Lot I (as in Igloo). Tad bought a short-range FM transmitter so everyone could listen to the tracks in the privacy of their own car. We started a text chain so everyone could text Tad their tracks, and then he would play them from his bluetooth/FM transmitter. The world's newest Pirate Radio Station was born -

88.3 KTAD

I think the event went over really well and gave us all a moment of respite from the current madness of the world. Keep a lookout for an email from Tad about future lockdown "gatherings". Coming soon to a parking lot near you!!!!

Here is the playlist from that night:

- 1) TAD - Sam Fender "Dead Boys" (Hypersonic Missles)
